In Styles Originated by My Expert Designer Are Copied Everywhere.

I do not need to talk to the great army of wearers of W. L. Douglas \$3.50 shoes, they speak for them everywhere. It is you who have never worn them I wish to convince.

If you pay \$5 to \$7 for shoes, thinking that a shoe cannot be made with as much style, comfort and service for \$3.50, isn't it possible you are mistaken? If you will throw prejudice aside, and give W. L. Douglas \$3.50 shoes a trial, you will then be convinced that paying high prices for shoes is merely sentiment.

It is a positive fact which cannot be justly disputed that W. L. Douglas \$3.50 shoes are worn by more men in all stations of life than any other make. Don't you think this is sufficient proof that W. L.
